Container Self-Move

Pack up and move when it suits you, not the removalist. Store your possessions for as long as you like with one of our secure containers. This saves you money and keeps you in control.

Container rental charges are the same as self-storage rate, but you are required to pay the freight on the container.

On-site Container Rentals

A container is transported directly to your site to provide secure storage right where you need it for as long as required.

Container rental charges are the same as self-storage rate, plus the transport charges both ways.

\$150 refundable deposit (when container returned clean, without damage)

You are not permitted to drill holes in rental storage containers
